Northsoft Systems  
620 Sarah Street North  
Gravenhurst, On

Dear Mark:

Mount St. Louis Moonstone Ski Resort would like to thank Northsoft Systems, for upgrading our DOS ticketing systems to a windows-based system along with installing a new point of sale system. The initial change over went smoothly and the continued support we received during our growing pains, was excellent. I would recommend Northsoft Systems not only for the systems that you sell, but for the service as well. I am available to answer any questions your clients may have on purchasing a Northsoft System.

We look forward to continually working with you in the future.

Yours truly,

Robert Huter  
General Manager  
Mount St. Louis Moonstone Ski Resort.
